Dear Resident

Dear residents,

The bus route survey has generated a lot of debate on both social media and calls to the Parish office.

Your engagement in such an important issue is welcomed but can I ask people to refrain from abusive and threatening behaviour towards our staff, which undermines the process and is unpleasant.

I know feelings are strong on this topic which is why we have canvassed your views but abusing our staff will not be tolerated.

Yours Sincerely

Alison Breese  
Chair  
Kingsnorth Parish Council
