

PCSO REPORT ANNE MARTIN – AUGUST 2019

The camera which was due to be installed on the Bluebell Road Bridge, is now going to be installed in Poppy Mead, Bluebell Road near the Bridgefield Convenience Store, where there is more anti-social behaviour occurring at this time. This camera will be a great asset to the Police.

We, the Police, have had a very busy time of it in Orchid Court. We have been having some issues with anti-social behavior and nuisance motor bikes in this particular area. On the 15th and 16th July we did a two day OP across the whole of the Ashford district concentrating on nuisance motor bikes. All the PCSOs spent a lot of time in the Bluebell Road, Poppy Mead and Orchid Court areas. We have gathered some very useful intelligence and are dealing with the offending rider's pro-actively.

Events:

Colleagues attended therley Park School Summer Fete at the end of June on my behalf. Apparently, it all went very well, and the children really enjoyed seeing the Police car.

A colleague and I attended the Create Festival at Victoria Park on the 20th July. It was a lovely sunny day and a great turn out from the public.

Speed watch:

Community Speed Watch is a group of volunteers' that came together to make drivers aware of their speeds. Kingsnorth Parish Council have this device and would welcome any willing volunteers to get the device out and about.

If there are any Parishes that do not have a Speed Watch set up and would like more information please contact the community speed watch team to volunteer, to start a scheme, for support or assistance, to arrange safety awareness training or to have a risk assessment carried out at a new site.

Ashford Mediation Service

Ashford Mediation Service is a charity that helps people across the Ashford Borough Council area with neighbourhood, family and intergenerational disputes. They offer mediation services in local community with the help of trained volunteer mediators. These services provide a way of enabling people to talk about problems and reach solutions, with mediators listening, supporting and guiding them.
